SERVICE IN SEPTEMBER

Sunday, September 12 immediately following worship!
Service in September is a church-wide time of service in our community to commemorate the tragedy of 9/11 with a positive spirit of serving those around us. Meet in Friendship Hall for a light lunch following worship. We will then split up to do various service projects in the church and around Louisville to help our neighbors and mission partners. Projects will last 1-3 hours in length. There will be projects for all ages and skill sets! Be on the lookout for more information or contact **Susan Reed** at susanr@broadwaybaptist.org with questions.

MUSIC NOTES

The Summer Choir continues to meet on Wednesdays at 7pm in the choir room.

The Fall music schedule is being planned this week and will be finalized soon. We hope to offer a Preschool music activity group on Wednesdays and an adult Handbell choir, as well as Chancel choir. On Sundays, we will seek to offer a Middle School Ensemble and an Elementary age Children's choir.

We continue our search for a new church organist and appreciate all those who have served as substitutes during this time period.

Blessing of Teachers & Students is August 8th!

On **Sunday, August 8**, we are celebrating Promotion Sunday for our youth and children. As always, children and youth will move into new classes based on their age or year in school. This morning will be especially important for them as they get to know their new Sunday School teachers!

We will also honor Promotion Sunday by blessing teachers and students from within our congregation and community during worship. We hope this will be a meaningful time of prayer and encouragement, as we recognize those among us who will spend the next year learning, teaching, and investing in the lives of the youngest members of our community.

Beloved Broadway,

I hope you have managed to find some peace and rest this summer so far. There is an exciting event happening locally and online which I wanted to share with you.

August 26-27, the Annual General Assembly for the Cooperative Baptist Fellowship will be held in smaller, in-person and online venues rather than one, massive summer event. CBF Kentucky, Heartland, North Central, and Tennessee are collaborating together and will be hosted by St. Matthews Baptist Church here in Louisville. I am most excited to hear from our CBF Field Personnel, Scarlette Jasper, with whom we partner to be the hands and feet of Christ in Eastern Kentucky. If you would like to register for in-person or online, please visit cbf.net/general-assembly.

I had the pleasure recently of sitting down to visit with Paul Baxley, our Executive Coordinator for CBF Global. Paul previously served as the pastor of First Baptist Athens, Georgia before joining the team at the Cooperative Baptist Fellowship. In our conversation, I asked what they were hearing from other churches in the Fellowship and how our sister churches were doing. Many similarities emerged. Across CBF life, in-person services are resuming while the majority of people are remaining online, and for so many churches even with a drop in giving as summer activities ramp up, church finances are stable. One of the most interesting pieces of news “from the front lines” is the deep hunger among people (particularly, younger folks) for intergenerational relationships and mentorship.

In September, we will be exploring faith formation for all ages through various practices led by our Pastoral Team. I hope you will join us for these opportunities to explore the cross-pollination of discipleship as we grow as a Family of Faith together. If you will be able to join us as we resume our Midweek opportunities, please reach out to Candace in the office and let her know you will participating as we plan ahead.

If you are traveling, we hope to catch you on the livestream. If you are in town, I hope to see you soon. Regardless, God be with you 'til we meet again.

Grace & Peace,
Pastor Kevin
