BROADWAY BAPTIST CHURCH

OCTOBER 2019

## Service in September

Thank you to everyone who participated in the 2019 Service in September! The Missions Committee did a fantastic job putting together projects with our mission partners here in Louisville. We worked at 10 different projects with over 100 people participating. New skills were learned, new friends were made, and new t-shirts were designed! If you didn't get a chance to join us this year, we hope you will next September. In the meantime if you would like more information about how you can get involved in service opportunities, contact Susan Reed at [susanr@broadwaybaptist.org](mailto:susanr@broadwaybaptist.org)

(John Claypool, *Tracks of a Fellow Struggler*).

# RECREATION TEAM REPORT

The Recreation Team continues to provide a variety of fun, outreach opportunities for folks of all ages and “recreational taste.” Throughout July and August, the BBC Bunt Crew participated in a kickball league on Thursday evenings at Seneca Park. Over the course of 8 weeks, 25 different players shared time on the field as part of the “Crew.” We concluded our season with a record of 4-5 and a valiant, second place finish in our division of the tournament. We’re already looking forward to another fun season in the sun next summer!

Following church services on Sunday, July 21<sup>st</sup>, 16 folks from Broadway participated in an afternoon golf scramble at Oxmoor County Club. It was a steamy, 90+ degree day, but a good time was definitely had by all. Our winning team (with a winning score of 12 under par) consisted of Glenn and Sharon Davis,

Carter Cox, and Wil Barman. A big shout-out goes to Charlie and Elaine Baker (Oxmoor members) for helping coordinate this event. Another “fan favorite” event that we will be putting on the calendar in 2020. “Open Night” pickleball will resume on Thursdays (beginning October 12<sup>th</sup>) in the FLC. Looking forward to seeing our regular players back on the court, and are hoping to see some new faces this fall.

If there are recreational opportunities that you’d like to see offered at Broadway (or more of at Broadway), please contact Curtis Barman at 502-930-6420.

## Love in Action Bins

During the month of October we will be collecting "Blessings in a Backpack" food donations for Chenoweth Elementary. This year we are helping to feed about 40 children each weekend! *\*please no peanut/peanut butter products, items in glass jars, or outdated food.*

## **Dr. Bonnie Metcalf recognized at the Trager Institute luncheon for modeling the "Gold Standard of Aging."**

Dr. Bonnie Metcalf was recognized recently at the Trager Institute luncheon for modeling the "Gold Standard of Aging." Five criteria are considered: civic, creative, physical, intellectual and spiritual. The following is part of her nomination, submitted by Mary Jackson. "Dr. Bonnie Metcalf is a teacher and teachers make the best lifelong learners. After teaching 'Materials and Methods of Education' as well as supervising student teachers for many years, Dr. Metcalf became Vice President for Academic Affairs at California Baptist Institute in Riverside. Her faith leads her in her career and is the motivating force behind her selfless life today. She continues to grow in wisdom and knowledge. She continues to teach others as she has the opportunity. Because she is deeply loved, she dares to love others and to show it through service. She has a quiet confidence and inner peace." Each honoree was asked to complete "as I age, I dare to..." These responses were printed in the program and ran as a power-point loop throughout the event. Dr. Metcalf replied without a moment's hesitation, "I dare to continue to trust God, to live a life that honors Christ, and to help other people any way I can." Bonnie is a member of the Ruth Sunday School class. She currently worships at The Forum on Sunday afternoons. In her years living at The Forum, she has ushered numerous friends to the gates of heaven. I am grateful for the Christian role model that she is for me, for all of us.

## Did you know Broadway has a great sense of humor?

George Coleman originally joined Broadway under Pastoral Care! On November 23, 1974, Francie joined by letter and, having been raised Methodist, George joined by Pastoral Care. In Broadway Remembers (2001) George explains that in mixed marriages of this type, it is a well-established fact that Baptist trumps Methodist. He apologized to all good Baptists for using card playing terminology, but wondered what readers expected from an ex-Methodist.

“I hate to say this, but I probably know as many, if not more, nooks and crannies at church than the sexton crew. I grew up at Broadway during the 1970’s, a time when pushing the boundaries was defined.” —Cathy Waddle Smith’s confession, excerpt, Broadway Remembers, 2001.
