## SERVICE IN SEPTEMBER 2022

Many thanks to all who helped with Service in September this past Sunday. We had over 100 volunteers working on 8 different projects to share God's love in our community!

## MORE WAYS TO SERVE!

Each week we pack bags to be sent home on the weekends with students from Chenoweth Elementary who are living with food insecurity. In the past, we have fed 25-30 students, **but this year the need has increased to 150**. Our partnership with the Greek Orthodox Church and the Missions committee help offset the cost of food - but we need your help! If you are able - the following food items are useful and can be placed in Love in Action bins around the church: **Ramen Noodles, Hearty canned soups or Ravioli with pull-top lids, Nutri Grain bars, Granola Bars (no nuts or peanut butter), oatmeal packets, individual applesauce or pudding cups, etc.** If you'd like to join the team helping to pack the bags each week, please let Susan know!

## CHOIRS

Chancel Choir: Wednesdays at 7pm

Chancel Bells: Wednesdays at 6 pm

Preschool Music Activity Sundays at 9:40 am

## Sneak Peek of “Stuck in the Middle”

Stuck in the Middle with Sue and Drew is part of our "Life Giving: Generosity in Spring Time and Harvest" series here at Broadway. Their segment will focus on that “Stuck in the Middle with Sue and Drew is part of our "Life Giving: Generosity in Spring Time and Harvest" series here at Broadway. Their segment will focus on that “middle age” group that has a lot of competing priorities financially. Do I save more for retirement or start college savings first? Do I pay off the house or keep that money for a rainy day? Is the stock market safe for me at my age? How do I give as much as I want to with kids of my own and my parents aging and the financial stress that comes with that?

All these questions and more will be discussed on October 9 in the Stained Glass room! And you will love the pairing of guest speakers. You have the experience in Sue. She has a child in college high school currently with one graduated and moved out. She has a mother in nursing care and she juggles all of that while working, being a wonderful spouse, and trying to give of her time and money to the church as much as she can. She will be there

to tell you the things she and Richard have done to help them give and live the life of their dreams and helping set up their children to do the same!

And while Drew has not been through those experiences personally (yet), he has fifteen years in the financial advising industry where his focus has been meeting with dozens of families each month to help them figure out what they want, where they are, and the best way to bridge that gap. In addition to his real world experience with customers, he has more degrees and designations than he can count... he just refers to them as his “unofficial doctorate in financial planning”.

Whether you feel “stuck” or not... or are not sure if you are “middle”... we look forward to seeing you at Stuck in the Middle with Sue and Drew on October 9 following service in the Stained Glass room. We are excited to help you win with your money so that you can give and live the life of your dreams!” group that has a lot of competing priorities financially. Mark your calendar for the first Saturday in March, 2023. We are accepting donations and beginning to price items. We are also moving items leftover from the last sale: flower vases to a florist on West Broadway, suitcases to Hope's Closet for use by foster children, eyeglasses to the Lions Eye Bank, sewing supplies to Stitch (a ministry of Kentucky Refugee Ministries.) We are currently looking for a donation site for cell phones, children's books and choir robes.

And new this year, we are putting aside practical household items for immediate use by families rather than selling all of the donations. We will be working with CBF to determine the need for specific items in Eastern and Western Kentucky as well as refugee ministries here in Louisville.

As always, we are grateful to Broadway for the use of storage and selling space. And we are grateful to everyone who makes donations. We have a good time working together all year. Please join us!

Thanks!  
Mary
