Missions Yard/Gym Sale

Team Missions Sale is fixin' to gear up! We are looking toward a tentative date of **August 14** (with a back up date of August 2.)

As you can imagine after months of Covid-closet-cleaning, we have received many donations. However we would like to squeeze in a bit more. You may stop by on Monday or Thursday evenings while we are pricing. Probably smart to confirm with a team member before you make a trip to church. Thank you, always, for your generosity!

Beloved Broadway,

The great American poet e e cummings (as he often stylized his name and put his own spin on punctuation and capitalization) once wrote,

I thank You God for most this amazing
day: for the leaping greenly spirits of trees
and a blue true dream of sky; and for everything
which is natural which is infinite which is yes

Having shared so many worshipful moments with you beneath the beautiful magnolia tree outside our church offices, I am still mystified that it took a global Pandemic to get the Church (not just Broadway, but churches all across the land) outside of the walls of the church-house. I find myself praying the words of the poet, thanking God for these amazing days in which the world seems to be blossoming once again, and we get to see each other face to face.

In that spirit, on June 6 we will gather for Sunday morning worship at 11:00 outside for Communion, congregational singing, and lunch on the lawn afterwards. There will be food trucks selling lunch, and also free popsicles from Steel City Pops courtesy of the Outreach Committee, so feel free to bring a friend and help us kick-off the summer at Broadway!

While this past year has seemed like an infinite dance of “not yet’s,” “no’s,” and “maybe’s,” what a joy it is to gather again, break bread, and celebrate these amazing days God has given us to share. I hope to see you soon!

Grace & Peace,

Pastor Kevin

Outdoor Guided Prayer

We will have a guided prayer time in the Prayer Garden on Tuesday, **June 15 at 12:00** (weather permitting). Please bring your own chair or blanket to sit on. You're welcome to bring your lunch for a picnic as well! Contact Susan Reed with any questions: susanr@broadwaybaptist.org

Recreation Update

Summertime is upon us and we're rapidly turning that Covid-curve; as such: it's time to play! Listed below are some recreation opportunities that are in the works:

Pickleball – Currently awaiting guidance from Broadway's Task Force concerning the re-opening up the gym. I'm hopeful that we're "back in the picklin' business" the week of June 14th. Stay tuned!

Kickball – Currently eye-balling some options with LXC. A feeler has been put on the Meet Me in the Atrium Facebook page in assessing interest/preferred night of play.

Member/Guest Golf Outing – Looking at options/locations for both summer and fall outings. Watch for details in the coming weeks on the Meet Me in the Atrium Facebook page.

Rose Island Theme Park – I made this hike 18 months ago and knew then that I wanted to bring a group out here...it's advertised (by some) as a "ghostly, 100-year old theme park" located along the Ohio River in Charlestown, IN. Please visit this link for more details: [https://en.wikipedia.org/wiki/Rose_Island_\(amusement_park\)](https://en.wikipedia.org/wiki/Rose_Island_(amusement_park)). NOTE: One big hill to climb on the way out, but once you're down to river/Rose Island level, the hike is pretty easy (and the history that awaits you is phenomenal). As with other Recreation options, more information, "fishing for interest" will be found on the Meet Me in the Atrium Facebook page.

Please contact Curtis Barman for more information on any of these events, or if there is something "recreational" that you'd like to see Broadway offer.

Mission Committee News:

Did you know that **10%** of all Tithes and Offerings given to Broadway go toward Missions?

Here are some thank you messages from some of our missions Partners:

"To say that your generous contribution to the West End School could not have come at a better time would be a profound understatement. With 139 students ranging from pre-kindergarten through 8th grade and with the demands of Covid we hope you realize how much your gift means to everyone here." - The West End School

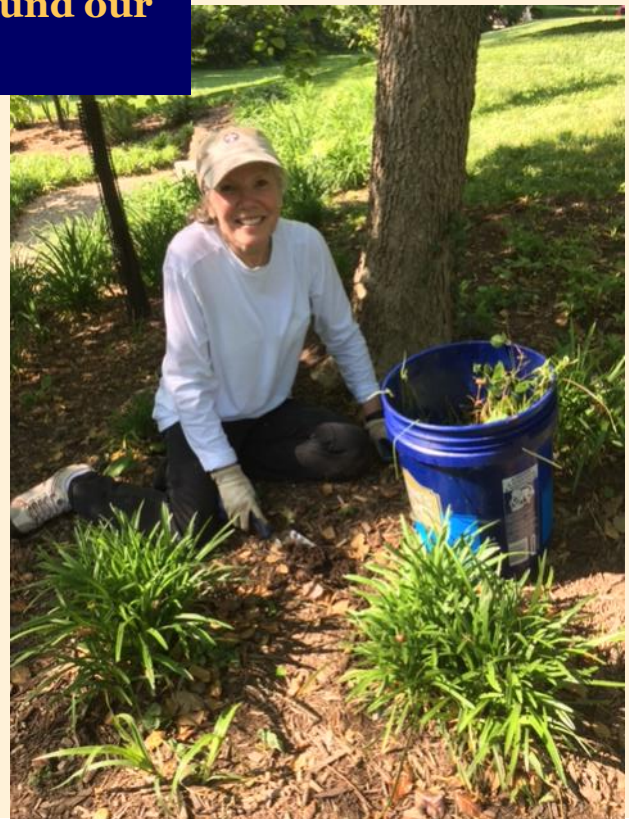

"As our country strives to be a better, more inclusive nation, our role at Simmons College of Kentucky becomes even more clear. Education continues to be at the forefront of change and to provide a beacon of hope for our community. Thank you for your investment that will make a direct impact on the lives and futures of so many students." - Simmons College of Kentucky

Grounds Committee Update

Thanks to everyone who helped with the grounds clean-up Saturday!

We invite everyone to take a look at the many pretty areas around our church!
